REACHING GOALS: "Two of a Kind's" **Mary-Kate** and **Ashley Olsen** will star in and executive produce a two-hour soccer-themed movie, "Switching Goals," for ABC's "Wonderful World of Disney" next season. At the same time, the Olsen twins will serve as teen ambassadors of the Women's World Cup soccer tournament. Considered the largest women's sporting event, the tournament will be in the United States this summer and telecast on ABC/ESPN to an anticipated 1 billion viewers worldwide. "Goals" is a comedy about two sisters — but only one is athletic. They join competing soccer teams and switch places when their overly competitive dad gets in the way.
